Professional Capability Grant (PCG)

Professional Capability Grant (Manpower Schemes) - Master's Degree/Graduate Diploma for Psychologists

(Support for Acquiring Recognised Psychology Qualifications)

Conditions of Funding

1. Accreditation as Registered Psychologist - Provisional

Recipients must obtain accreditation status as Registered Psychologist - Provisional (by Singapore Psychological Society) before completion of bond.

2. Bond

Upon award of the grant, recipients are required to sign a VCF Deed and fulfil their bond duration with a NCSS-member VWO upon completion of the course. The bond duration is as follows:

Nature of Training	Bond Duration
Masters programme	2 years
Graduate Diploma programme	1 year

The recipient is required under the VCF Deed to serve for a specified period (period depending on the type of course supported and will be specified in the deed) in a social service agency, upon successful completion of the course. The recipient is in no way obligated to enter into any further bonds outside of the VCF deed's requirements with any parties unless mutually agreed upon between the recipient and the party to do so on their own accords. Such bonds if signed would be outside the requirements of the VCF funding and should in no way be related as a condition of VCF support to the staff.
