### **272 ORGANISATIONS AND INDIVIDUALS RECOGNISED FOR THEIR SIGNIFICANT CONTRIBUTIONS TO COMMUNITY CHEST IN FY2019 AT COMMUNITY CHEST AWARDS 2020**

- *39% were recognised for their strong support towards COVID-19 related causes*

**SINGAPORE, 11 DECEMBER 2020** – A total of 272 organisations and individuals were recognised at Community Chest Awards 2020 for their significant contributions to Community Chest in FY2019. The Awards ceremony took on a hybrid format and the segment at the Istana was presided by Guest-of-Honour, **President Halimah Yacob**, and hosted by **Minister for Social and Family Development Masagos Zulkifli**.

2 This year, a special Community Spirit Award was presented to 107 organisations and individuals in recognition of their contributions towards COVID-19 related causes to support the social service sector and the wider community affected by the pandemic. The Award recognised both monetary contributions towards funds like The Courage Fund, The Invictus Fund, IMDA Digital Access Programme and other COVID-related causes, and in-kind donations of essentials such as masks and hand sanitisers, of at least \$50,000 in value up till 31 August 2020. Collectively, they contributed over \$25 million in donations and more than \$5 million worth of in-kind donations.

3 This Awards ceremony also celebrated holistic giving by various donors and partners. Among them is **Singtel**, which received the highest accolade in the form of the **Pinnacle Award** for its support of the sustainable progress, development and inclusion of vulnerable groups in society. Some of its initiatives include the Singtel Touching Lives Fund, which funds the education of children and youths with special needs; and its work with SG Enable on initiatives to help students with disabilities transit into open employment and remain in their jobs. The company also leverages its position as the co-chair of the Singapore Business Network on Disability to promote the cross-sharing of expertise, experiences and resources between business partners and industry peers to promote the inclusion of persons with disabilities. Aside from the Pinnacle Award, the Singtel Group also received **the Charity Platinum, Community Spirit Platinum and Volunteer Partner** awards. Refer to Annex A for the awards criteria.

4 Ms Chua Sock Koong, Singtel's Group CEO, said: "Singtel is honoured to be recognised for our support of the vulnerable in society. As a technology company, our ethos of giving has always been premised on advancing their well-being and progress by empowering them with digital access, digital literacy and digital inclusion. Our three-decade long partnership with Community Chest has allowed us to develop our sustainability strategies over the longer term, to not just introduce positive changes, but ultimately track, improve and make these changes endure. We hope to deepen our existing initiatives with Community Chest and widen our reach to more people in need."

5 In addition to the amount raised for COVID-19 related causes, Community Chest also raised a total of \$58.7 million in FY2019 to support more than 80 social service agencies serving vulnerable groups like children with special needs and youth at risk, adults with disabilities, persons with mental health conditions, vulnerable seniors and families. This is an increase from the \$54.2 million raised in FY2018.

6 Mr Phillip Tan, Chairman of Community Chest, said: "2020 has been a very challenging year for Singapore. I am heartened that many of our partners including corporate and individual donors have stepped up to lend their support to our COVID-related causes. At the same time, we would also like to extend our deepest gratitude towards corporate partners who have advocated for inclusive business practices, and used their skills and resources to make a difference in the lives of our service users. The needs of the sector will only increase and become more complex and varied over time. It is crucial that we take an 'all hands on deck' approach to supporting the vulnerable communities amongst us."

### **About Community Chest**

As the hallmark of care and share, Community Chest has been uniting the community to fundraise and serve those in need since 1983. In 2019, as Singapore reflects on its progress and milestones since its founding 200 years ago, Community Chest aims to highlight the importance of community giving and how it has been integral to the success of Singapore since its early days.

Under the Bicentennial Community Fund, the Government will provide dollar-for-dollar matching for donations\* to Community Chest, up to 20% of the total funds raised from 1 April 2019 to 31 December 2020. Through this, Community Chest hopes to encourage the community to give and maximise the impact to enhance the sector's capabilities, create impactful partnerships and make caring a part of our everyday lives.

Community Chest supports about 80 social service agencies to meet underserved, critical social needs. As our fundraising and operating costs are covered mainly by Tote Board Group, 100% of your contributions goes towards empowering the lives of:

- Adults with disabilities

- Children with special needs and youth-at-risk
- Families in need
- Persons with mental health conditions
- Vulnerable seniors

*\*Donations include all private cash donations. Grants from government agencies, including Tote Board, which are not donations, will not qualify for the matching. Community Chest, as a fundraising arm of the National Council of Social Service, supporting about 80 social service agencies, will not be subject to the \$400,000 per IPC cap. Instead, 20% of the total donation (net of the donation that is already matched by existing grants) received by Community Chest in the qualifying period will be matched by the Bicentennial Community Fund.*

### **About SG Cares**

SG Cares is a national movement dedicated to building a more caring and inclusive home for all. The movement invites all who live in Singapore to put values into action through active volunteerism, ground-up efforts and everyday acts of care. It also aims to build capability across various sectors and organisations to grow opportunities for volunteering. By inspiring and supporting one another, we can show the world that we are a nation with a big heart.
